

# GrayBox Model Numbers

Make your configuration selections and transfer the alpha-numeric codes to the appropriate boxes in the model number below. The resulting model number completely specifies the GrayBox of your choice.

## A Style GrayBox

**Product Dimensions and Front Panel Choices** → **Side Choices** → **Cover Color Choices** → **Cover Fastener Choices** → **Panel/Side Finish Choices**

**Base Configuration**  
The concept of the base configuration has been created to simplify pricing. If the enclosure consists only of choices from these interconnected boxes, then the price is simply the price shown in the base configuration column of the price list. If the enclosure consists of choices from outside the base configuration boxes, then the price is that of the base configuration plus the marginal cost of the options chosen.

**Side Choices**
